

Memorandum of Understanding(MoU)

For Solid Waste Management

Between

The Town Council, Longleng and Yingli college, Longleng, Nagaland

The MoU is signed between the Yingli College, Longleng and the Town Council, Longleng on 23-01-2016

Whereas, Yingli College, the only higher educational institute in Longleng District has been catering undergraduate programmes in Arts since 1994-95. The college is affiliated to Nagaland University and was taken over by the Government of Nagaland in 2006. The college has 24 teaching and 31 non-teaching staff headed by the Principal.

Whereas, the garbage carrier vehicles of Longleng Town Council shall collect solid waste from the bins of Yingli College from time to time. The service shall help the college free from litter, since non-biodegradable waste can not be burnt and the college has no capacity to recycle them.

This MoU shall continue until it is abrogated by either parties.

Settlement of dispute: If any dispute arises, it shall be settled by both the parties amicably.
